## 5/3-way valve, man. 90° lever G1/2 mid-pos. pressurised, detent

Kategorija: [Metalwork](#)  
Šifra: **106487RIE**

### Kratek opis

5/3-way valve, man. 90° lever, G 1/2, mid-position pressurised, detent, op. pressure vacuum to 10bar, op. temp. -10°C to 60°C  
These pilot valves are also suitable for max. vacuum 10 bar.

### Tehnične Specifikacije

|                                |                                   |
|--------------------------------|-----------------------------------|
| Min. temperaturno območje [°C] | -10                               |
| Bat                            | Nickel-plated aluminium           |
| Delovanje                      | Mid-position pressurised, detent  |
| Delovni tlak                   | Max. vacuum 10 bar                |
| Merjenje pretoka 1             | Flow rate at 6 bar and ?p 0.5 bar |
| Merjenje pretoka 2             | Flow rate at 6 bar and ?p 1.0 bar |
| Povezava                       | G 1/2                             |
| Telo ventila                   | Aluminium                         |
| Tesnilo                        | NBR                               |
| Vzmet                          | Special steel                     |
| Ffunkcija                      | 5/3                               |
| Simbol                         | 19                                |
| Max. temperaturno območje [°C] | 60                                |
| Pretok 1 [NI/min]              | 3200                              |
| Pretok 2 [NI/min]              | 4600                              |
