## Koleno za vijake 98, N.N./Z.N.Rp 1 1/4,č. kovanlit. ž.

Kategorija: [Union elbow 98, taper seat, female/male](#)

Šifra: **112939RIE**

### Kratek opis

Fitting elbow 98, conical sealing, IT/ET, Rp 1 1/4, Operating temp. -20 °C to 300 °C, black malleable cast iron, Hot-dip galva.

Acc. to DIN EN 10242 (formerly DIN 2950)  
The classic - and the most popular - screw fitting series for pipe construction.

These fittings are characterized by their high mechanical strength and surface quality to DIN 2444.

They are completely coated with a layer of pure zinc and are therefore suitable for drinking water

### Tehnične Specifikacije

|                                |                                               |
|--------------------------------|-----------------------------------------------|
| Min. temperaturno območje [°C] | -20                                           |
| Material                       | Black malleable iron B350-10, design symbol A |
| Navoj 1                        | Rp 1 1/4                                      |
| Navoj 2                        | R 1 1/4                                       |
| Površina                       | Hot dip galvanised                            |
| Standardni navoj               | acc. ISO 7-1                                  |
| Max. temperaturno območje [°C] | 300                                           |
