## Tlačni pretvornik, 0 - 25 bar, G 1/4, CrNi jeklo1.4404

Kategorija: [Wika](#)

Šifra: **102748RIE**

### Kratek opis

Pressure transducer for general industrial applications, Non-linearity 0.5%, Measurement range 0-25 bar, G 1/4, CrNi steel 1.4404

Standard type for universal applications.

Suitable for electronic pressure measurements in the low and high-pressure ranges.

### Tehnične Specifikacije

|                                 |  |
|---------------------------------|--|
| Deli v kontaktu z medijem       | CrNi steel 1.4404<br>With right-angle    |
| Električni priključek           | connector acc. to DIN<br>EN 175301-803 A |
| IP zaščita                      | IP 65 acc. to EN 60529                   |
| Navoj                           | G 1/4                                    |
| Ohišje                          | CrNi steel 1.4404                        |
| Vrsta                           | A-10                                     |
| Nelinearnost                    | 0.5% of span                             |
| izhodni signal                  | 4 - 20 mA, 2-wire                        |
| Operativna napetost             | 8 to 30 V                                |
| Merilno območje max. bar        | 25                                       |
